The accrual or payment of any interest as provided above will not constitute a waiver by Company of any rights and remedies in connection with a default by Customer. Customer will pay all court costs, attorneys' fees and other costs incurred by Company in collecting past due amounts, including interest. If shipment or delivery of Products is delayed by or at the request of Customer, payment will remain due in full, thirty (30) days from the date of Company's invoice. The above warranties do not extend to any loss or damage due to misuse, accident, abuse, neglect, normal wear and tear, negligence (other than Company's), unauthorized modification or alteration, use beyond rated capacity, unsuitable power sources or environmental conditions, improper installation, repair, handling, maintenance or application or any other cause not the fault of Company.
